Lakhansing Narsing Patil

Lakhannpatil2211@gmail.com   Mo: 9325490236

Skills

Languages: JAVA, SQL , HTML , CSS, XML

Technologies & Tools: Android Studio, Firebase, MySQL, Git, GitHub, VS Code, IntelliJ IDEA, Postman, NetBeans, Bootstrap, XAMPP, Canva, Figma

Education

Sandip Institute of Technology and Research Center (SITRC), Sandip Foundation
B.Tech in Computer Engineering
2023 – 2027
SGPA: 8.31 (Semester 3), 8.40 (Semester 4)

Project Work

1. Personal Portfolio Website – Lackinfo.com
Developed a fully responsive personal portfolio website to showcase skills, projects, and services. Integrated with **Google AdSense** for monetization and SEO-optimized for better visibility and traffic.

2. Real-Time Weather Checker Website
Built a web application using **HTML, CSS, JavaScript, and OpenWeatherMap API** to fetch and display real-time weather updates for any city. Features include dynamic weather icons, temperature, humidity, and live location search.

3. Locklet – Smart ID Storage & Password Generator App
Developed an Android application focused on securely **storing graphical ID cards** (like Aadhaar, PAN) and generating strong **encrypted passwords**. Features include local image storage, password creation, and organized ID management.

Work Experience

Web Development Intern – Web Makers (Remote)
22 NOV 2024 –22 DEC 2024
• Worked on WordPress-based website development and customization for client projects.
• Gained hands-on experience in theme integration, plugin usage, and responsive design.
